**Report of Principal and School Improvement Council**

We are pleased to report the successes and achievements of Myrtle Beach Middle School in the areas of academics, athletics, extra-curricular activities, and community service. Literacy and writing in the content areas continues to be our major focus, and our continued implementation of Monitored Reading Practice (MIRP) shows our school-wide commitment to helping develop our students to become independent readers and thinkers. Our business community provided ongoing support for our efforts, and we applaud their involvement in our school. Myrtle Beach Middle received awards and accolades in the following areas: 56 eighth grade S.C. Junior Scholars; 26 eighth grade Explore Scholars; 10 seventh grade DUKE TIP Scholars; 100 students received high school credit for Algebra I (37 were seventh graders); 42 students received high school credit for geometry; and 185 students passed the keyboarding proficiency test for high school credit. The fine arts program, with over 300 students in band, chorus, orchestra, and winter guard, received superior ratings at district, state, and regional competitions. Our athletic teams continued the tradition of success. Boys' football and basketball led the district. Several students made their mark on the Junior Varsity and Varsity athletic teams in the areas of baseball, cross-country, soccer, softball, tennis, and track and field. We provided many extracurricular activities for our students by offering several clubs for students to participate in after school. These included Math Counts, Art Club, Student Council, and Ambassadors Group. We continued our commitment to service learning. Several projects in our school and community, including school-wide recycling campaign, Komen Breast Cancer Foundation, Leukemia and Lymphoma Society, Holiday Angel Fund, and canned food drive for community kitchen. In all, our students raised over \$3,000 to help support charities. Myrtle Beach Middle is dedicated to helping each child be successful in and out of the classroom. Our dedicated team of faculty, staff, parents, and community shares a common goal of helping children achieve their personal best. Roger Gray, Principal; Julie Schexnayder, Chair, School Improvement Council
